

# St. George's Deserves Better!

The United Bermuda Party has a plan to help St. George's as a town, as a place to live and as a World Heritage Site.

We'll start by:

Re-opening the police station to restore law and order 24 hours a day, seven days a week

Using the fuel tax to help the town balance budgets, fix the sewage system, and ensure the community shines for visitors and residents alike.

Rebuilding the Causeway so you'll never be cut off again

Together we will work to protect the town, its heritage and our people.
